10.2	Award of contract for Conversion of Old generator house at Damphu Central School	<p>Deliberation: Mr. Tshering Dorji ICT Officer presented the evaluation report for conversion of old generator house into staff quarters at Damphu Central School.</p> <p>Discussion: Mr. Tshering Dorji (e-tool focal person) explained all the e-tool generated report and same time DTC found the drawing used for tendering is that drawing provided by SPBD. In this connection Chief DEO expressed his concern that same design was followed for few principal quarters and have experienced that structure is not user friendly due to smaller sizes of toilets. The DTC reviewed the drawing and consulted site engineer therein found the drawing which was approved in 7th DTC on 12.10.2018 was not followed in Tendering process and DTC did not favour the SPBD drawing. However, DTC asked site engineer to incorporate the drawing approved by DTC and prepare the estimate and BoQ based on the revised drawing. The DTC committee felt that bill of quantity will get changed when some dimension of structure are changed thereby it is recommended for re-tendering with revised drawing approved by DTC.</p> <p>Decision: In line with the above changes, the DTC decided to re-tender the works with revised drawing and BoQ.</p>	Re-tender
